I am a Software Engineer with 1+ year of experience in designing and implementing scalable web applications. Proficient in Java, Spring Boot, Microservices, JPA, H2, debugging and React.js with hands-on expertise in developing robust solutions. Eager to contribute to a dynamic organization that values innovation and teamwork. Utilize creativity and dedication to drive organizational growth and achieve personal development goals.

## SKILLS

**Programming Languages:** Java, Python

**Backend Technologies:** Spring Boot, Microservices, JPA, H2 Database, Java EE, Oracle-SQL, Postgres, Node.js

**Front-end Technologies:** HTML, JavaScript, React.js, React-Redux, CSS

**Others:** SVN, Basics of Cloud Computing, Web Deployment, Java Multithreading, Debugging

## EXPERIENCE

**Kalki Communication Technologies**                                    **BENGALURU**

**Software Engineer**                                                   **7/2023 – Present**

1. **Java-based SFTP File Transfer System for Karnataka Power Transmission Corporation Limited (KPTCL)**

- Spearheaded the development of an SFTP file transfer system facilitating seamless transfer of reports from DCU servers to a designated client server.
- Implemented logic to manage multiple files and ensure integrity of the folder structure.

2. **Java Spring Boot Web Application for Sync5k**

- Led the design and implementation of a web application for managing electricity generation, usage, and distribution data.
- Contributed to developing a robust website for efficient device control and maintenance, including meter readings.
- Leveraged Java Spring Boot framework for scalability, performance, and security.

3. **TANTRANSCODOPS Maintenance Website for Tamil Nadu Electricity Board**

- Played a pivotal role in developing a maintenance website using Java technology stack.
- Created a user-friendly interface to streamline maintenance operations.
- Enhanced efficiency and effectiveness of day-to-day activities.

# EDUCATION

**BE in Electronics and Communications**                    08/2019 – 07/2023
Sir M Visvesvaraya Institute of Technology                              BENGALURU

- **CGPA: 9.65**

**AWARDS:** 5th University Rank in Engineering in ECE, VTU
